# PREMIUM AIR SUSPENSION

Neox® manufactures and supplies premium quality Air Suspension. All of the products in the comprehensive range high levels of build-quality and value-for-money, so when you buy and fit NEOX® you can do so in the knowledge that you won't be getting any unexpected surprises: just fantastic quality suspension that you and your customers can rely on.

## EASY PLUG-AND-PLAY FITMENT

Replacing air suspension is as easy as replacing conventional suspension. It is a matter of dismantling the worn product and replacing it with a new one. No special tools are needed for this, apart from a diagnostic device to reset the fault code on some applications.

## ALWAYS FIT IN PAIRS

Replacing in pairs guarantees driving stability, braking performance, tyre wear and optimal vehicle handling.
